

## Rubber Lined Clamps

### Description

#### Field of application

- Suitable for pipe attachments in industrial areas
- Suitable for fastening of drinking water and heating pipes
- For indoor use

#### Advantages

- Proven two-piece clamp
- High stiffness due to reinforcing bead
- The 2 locking screws allow adjustment to accommodate a greater variation in pipe diameter
- Tightening bolts with combination cross-head convenient for power driver
- Fastener screws with captive washer
- With highly elastic insert
- Safe handling thanks to rounded flange
- Clip-over edges and the guide rib of the pipe clamp insert ensures a secure hold and prevents it from being pushed out

### Features
