CS15 & CS10 – Controllers

Description

Designed for extreme environments, you can always rely on your CS15 and CS10 field controllers. They are comfortable to hold and easy-to-use, making them your perfect partner on site.

Benefits

- **Easy-to-use software :** The CS15 and CS10 controllers are perfectly designed to be used with SmartWorx surveying software. With clear graphics, practical menu structures, understandable terminology and simplified workflows, save time and effort on any site. SmartWorx is incredibly easy to learn and use. You and your field crew will be up to speed in no time.

- **Work how you like :** The CS15 and CS10 are versatile controllers to work with many instruments and software combinations

- **Flexible communication and data handling :** Stay connected with a wide range of communication and data storage options. With fully integrated wireless antenna technology (Bluetooth, GSM/UMTS 3.5G, WiFi), a choice of two connector modules and data storage using an SD card or USB memory stick, your CS15 and CS10 are ready for all challenges on site and in the office.
