

Explosion Proof Ip Intercom Stations

Description

The explosion proof Ex IP Intercom station series from our Vingtor-Stentofon product range is one of our latest innovations.

With an IP rating of 66 (according to EN60945 and IEC 60529) and IP over Two-wire this station series provides two-way IP communication in Ex-environments by using our Flowire technology. Weighing in at just 4 kg it's also considerably lighter than most of our competition, making it easy to transport and install.

Features

- CCoIP/VoIP intercom for explosive environments
- Ethernet compatible 2-wire interface
- DIP functionality for use with AlphaCom audio servers
- SIP/VoIP functionality for use with 3rd-party systems
- Dust- and water-protected to IP 66 accordingly
- Monitoring and self-diagnostics of critical functionality
- Visible status indicators on front panel
- Accessories include Handheld PTT mic, Headset with PTT and Handset with PTT
