Sustainability

We love the day-to-day activities, so we do our part to make your indoor days healthier. Dutco's environmental philosophy is to be pro-active rather than reactive. We don't seek to simply limit negative impacts; we want our products and operations to contribute positively to the environment and people well-being. Luxury Floor is part of Dutco's choice of sustainable solutions, an integrated system that allows for balancing all the competing needs, while making choices that are truly sustainable and work together aesthetically.
