

Wavy Out Door Rubber Mat

Description

Our outdoor entrance Wavy out door rubber mat with raised wave-pattern tread helps scrapes dirt from shoes and channels moisture towards side edges and drainage holes in base. Suitable for all-season use and high traffic entrances, the raised cross-mat surface provides superior slip resistance feature.

Wavy Outdoor Rubber Mats for its best –in class aluminum profiles and rubber strips are ideal for use in damp and wet entrances where intensively coarse dirt occur. Choose from our available designs for easy shake-off or hose-down cleaning
